WHETHER YOU LIKE GOLF OR NOT you can't beat looking at the course. Manicured fairways and plenty of trees lend a park-like effect to your view from the front of this house. The view out back is more of the same. Located on Golf Course Road, this brick home is nestled among the trees. The home is situated on 1.2 acres on the edge of town, fronted by a paved road. With 3 bedrooms, 2 baths, a family room and remodeled kitchen, what more could you ask for? Oh yeah, a garage. Not one but two! A new septic system was installed approx. 5 years ago. **COME SEE IT. \$119,500.00**
